

YAC GIVES BACK

The Big I New Jersey Young Agents Council (YAC) has partnered with Bridge of Books to collect books for underprivileged children in New Jersey. **Here's how you can help:**

- **Bring in new or gently used books to donate for children ages birth - high school.** We cannot accept text books, encyclopedias, magazines, adult books, coloring books, workbooks, or books that are damaged or have missing pages.
- **Have fun!** Take pictures when you donate a book and share it on our social channels with the tags #YACGivesBack and @NJYAC. People love to see community involvement!
- **Help us reach our goal!** Share this book drive with your family and friends to help us collect enough books to meet our agency goal.
- **Get your customers involved.** When speaking with customers, let them know we're participating in a book drive and ask if they have any books they would like to donate. It's a great way to connect in a non-business way.

All donations need to be received by May 31, 2020.

Questions? Contact Matt Hill at 973-376-1514.
